

CARIBBEAN: Crossroads of the World – Make A Mask!

Supplies:

8 ½ x 11 cardstock paper
scissors
markers
colored pencils
acrylic paint
craft glue
colored feathers
pom poms
brush
yarn

To Make:

1. Print template onto cardstock.
2. Cut along dotted lines.
3. Decorate the mask a material of your choice. What kinds of shapes and patterns do you think you can add to the design to make it unique? What are some the different kinds of colors that you can use that will make your mask stand out in a crowd?
4. Loop string through flaps on left and right sides and tie around the back of head to insure a secure fit.

*Feel free to make your own mask template.
